

## How to add the Shielded Widget to your website

These instructions are for those on the Drupal platform.

## The 'New Zealand Women's Refuge Shielded' module

https://www.drupal.org/project/nz\_shielded

## Manually using shielded.co.nz

1. On www.shielded.co.nz click 'Add the website'

2. Decide which option you would like to add to your site (you should only add one).

3. When adding a button, simply copy the code by using the 'Copy Code' function:

	Step 1.	
Select	the tab size you'd prefer on y	our site.
