

How to add the Shielded Widget to your website

These instructions are for those on the Wix platform with a connected domain.

1. On www.shielded.co.nz click 'Add the website'

2. Decide which option you would like to add to your site (you should only add one).

If you want to add a large or small tab, go to step 3. For these options the instructions are the same.

Unfortunately the button can not be added into a Wix website at this stage.

Step 1.
Select the tab size you'd prefer on your site.

 **LARGE TAB**

 **SMALL TAB**

 **BUTTON**

3. Under the option you are after, click the button 'copy code'

Step 1.
Select the tab size you'd prefer on your site.

 **LARGE TAB**

 **SMALL TAB**

 **BUTTON**

Step 2.
Copy and paste the code below into your website's HTML.

```
<script src="https://staticcdn.co.nz/embed/embed.js"></script>
<script>
  (function () {
    window.onload = function(){
      var frameName = new ds07o6pcmkorn({
        left: 300,
        top: 0,
        iconSize: "small"
      });
      frameName.init();
    }
  })();
</script>
```

COPY CODE

4. Click Settings in the site dashboard in Wix

The screenshot shows the Wix site dashboard. On the left, a dark sidebar contains navigation options: 'Set Up Your Site' (1 step left), 'Dashboard', 'Blog', 'Ascend by Wix', 'Customer Management', 'Marketing & SEO', 'Analytics & Reports', 'Finances', 'Settings' (highlighted with a red box), and 'Apps'. The main content area is titled 'Set Up Your Site' and includes a progress bar showing '1 step left'. Below this, there are four status boxes: 'Site Role: Owner (Manage Roles)', 'Site Plan: Unlimited (Manage Plan)', 'Mailbox: Not connected (Get a Mailbox)', and 'Ascend Plan: Free (Compare Plans)'. The 'Let's Set Up Your Site' section has a progress bar and a '3/4' indicator. It lists three completed tasks: 'Write Your First Post', 'Publish Your Site', and 'Connect a Domain'. A fourth task, 'Get Found on Google (8 min.)', is partially completed and has a 'Skip' button and a 'Get Started' button. Below this is a 'Suggested For You' section with a 'See All Suggestions' link.

5. Click the Custom code option in the Advanced settings

The screenshot shows the Wix site dashboard with the 'Settings' menu open. The 'Advanced' settings section is visible, containing several options: 'Communications' (Set up different channels to connect with your visitors.), 'Inbox' (Customize your outbound emails, chat and integrations with Gmail and Facebook.), 'Your notifications' (Set which notifications you get from Wix via email, desktop and mobile.), 'Mobile app for members' (Let people easily connect and engage with your business and community.), 'Custom code' (Add custom code snippets to the head or body of your site. - highlighted with a red box), 'Privacy & cookies' (Manage your site's cookie consent, privacy policy and more.), and 'Site history' (View and restore previous versions of your site.).

6. Click the Add Custom Code button in the top right corner
